PETITION PER 37 CFR 1.137(b) FOR REVIVAL  
ON UNINTENTIONALLY ABANDONED APPLICATIONHon. Director of Patents and Trademarks  
Washington D.C. 20231

Sir:

Applicants petition herewith for revival of the above-identified application which became unintentionally abandoned for failure to respond in timely manner to the Examiner's office action dated April 6, 2001. The entire delay in filing a response from the then due date of July 6, 2002 to now was unintentional. Applicants were seeking to schedule an interview with the Examiner, who was interested in discussing the case, when the unintentional abandonment of the application was discovered.

In connection with the subject petition, applicants attach hereto a Response to the Office Action of April 6, 2001, along with a check for the requisite petition fee of \$640.00.

Prompt revival of the application is earnestly solicited so that the aforesaid interview can be rescheduled in order to advance prosecution of the application.

Respectfully submitted,

JOHN R. LAU, W. BLAIR GEHO,  
and GEORGE H. SCHNEDEKER
